

FREE BET BLACKJACK

Free Bet Blackjack is a Blackjack based game that offers free double down wagers and free split wagers. A player may receive a free double down on the first two cards, hard total of 9, 10, or 11. Free splits are offered on all pairs except 10 value cards (10-10, J-J, Q-Q, K-K). Players may also place regular split and double down wagers on combinations not covered by the free wagers. Players may also receive a free double down after a split, or after a free split, or after a re-split. Free wagers are indicated by the use of a lammer placed by the dealer.

Surrendering on the first two cards is allowed, but late surrenders are prohibited.

There is an optional Push 22 Bonus wager based on the dealer's bust hand of 22. On a 22 Push if the player's point total does not exceed 29, the Push 22 Bonus wager is paid and the regular wagers are pushed. Player Blackjacks are not affected by the Push 22 rule. The payouts for the Push 22 Bonus wager are based on the following pay table.

Dealer's Hand	Payout Odds
Dealer Same Suit 22	50 to 1
Dealer Same Color 22	20 to 1
Dealer Other 22.....	8 to 1
Dealer Bust Not 22.....	Lose

The dealer then follows regular blackjack rules and procedures.

Side wagers are prohibited.
